Cancel for a Full Refund:	8/25/19
Passport Required?	No

Day 1 LeClaire, IA

Our mystery tour in 2018 was such a hit, we have decided to run it again! On this exciting tour, we'll travel south into Iowa to LeClaire, right on the Mississippi River. The city is home to the famous "Antique Archaeology." Two buildings house their best picks, a new merchandise store and serve as the home base for the television show, American Pickers. Next, we'll check into our hotel for the evening before enjoying a delicious welcome dinner at a local restaurant. (D)

Day 2 Dubuque, IA

This morning we board the Riverboat Twilight where rolls, coffee and juice will be waiting for you. Our Captain will guide us through valley landscapes and historic river towns while we watch for wildlife along the way! Enjoy live entertainment, games, two snacks, lunch and dinner before arriving in the historic river city of Dubuque, Iowa's Oldest city. Our motorcoach will be awaiting our arrival and will bring us to our hotel located downtown. (B, L, D)

Day 3 Dubuque, IA

Our first stop this morning is the National Mississippi River Museum. Learn about animals, history, culture and ecosystem of our rivers from Lake Itasca to the

Gulf of Mexico. Lunch is included at a local Dubuque restaurant before we head back to the hotel for a little free time to relax or explore downtown. Tonight, we'll Progress through three of Dubuque's historic sites, enjoying entertainment, music, delicious food and wonderful company along the way. During this guided experience we will be mesmerized as costumed docents and local historians share facts about what made 19th century Dubuque so distinctive and why Dubuque was, and continues to be, the "Masterpiece of the Mississippi." (B, L, D)

Day 4 Home

Today we'll make our way back home but first stopping at Valley Fish & Cheese in Prairie du Chien, Wisconsin. Afterwards, we'll enjoy an included lunch in LaCrosse before visiting Mary of Angels Church & St. Rose Convent. We'll continue back into Minnesota to end our tour. (B, L)
