Day 3 Ketchikan, AK

This morning we will dock in Ketchikan, the town clutches the shores of the Tongass Narrows, with many shops and houses built right out over the water. The town calls itself the Salmon Capital of the World. Stroll and shop in the Creek Street Historic District, Alaska's most notorious red-light district from 1902. **Popular Port Excursions: the Lumberjack Show, Misty Fjords by Float plane or Boat, Totem Tour & More.** (B, L, D)

Day 4 Juneau, AK

No roads lead to Juneau, which gives the Alaskan capital a misty inscrutability. The massive Mendenhall Glacier and the immense Juneau Icefields are at its back door. The vast Tongass National Forest stretches away to the northeast. The adventures are as bountiful as the daylight. **Popular Port Excursions: one of the many whale watching adventures, Flightseeing & Dog Sledding on the Glacier, Best of Juneau Tour and many more!** (B, L, D)

Day 5 Skagway, AK

Some of the aspiring Klondike gold rushers who made it to Skagway took a look at the 500-mile journey that still lay ahead of them and decided a change of profession was in order, so many of them set up shop as provisioners in Skagway. It was the largest city in Alaska by the end of the 19th century. Booms fade and dreams move on, but the glory days still reverberate through the town. Walk the wooden boardwalks and see the restored buildings from the gold rush days while visiting the many shops in town. **Popular Port Excursions: White Pass & Yukon Route Railroad, Jewell Gardens, Dyea Mushing Camp, Ghosts & Goodtime Girls Walking Tour, Best of Skagway, "The Dangerous Days of '98" Show & more!** (B, L, D)

Day 6 Glacier Bay, AK

Today we'll cruise **Glacier Bay National Park**, the glaciers practically terminate

in your lap. When a chunk of ice splits off a glacier and thunders into the sea the impact shoots water hundreds of feet into the air. Glacier Bay has more actively calving tidewater glaciers than anyplace else in the world. There will be commentary throughout the day along with park rangers onboard to answer questions and give information about this beautiful place. (B, L, D)

Day 7 College Fjord, AK

Discovered in the northwest corner of Prince William Sound during an 1899 research expedition, spectacular College Fjord and its glaciers were named after prestigious east coast schools by the college professors who first laid eyes upon their majesty. College Fjord not only boasts the world's largest collection of tidewater glaciers, but it features magnificent snowcapped mountains as far as the eyes can see. Plus, during the summer, it's not unheard of to catch a glimpse of one of the area's 40-ton humpback whales feeding in the waters of the fjord. (B, L, D)

Day 8 Whittier/Anchorage, AK

We will disembark the ship in Whittier where our Riley motorcoach will be waiting for us to continue on the land portion of our tour. We'll travel the Seward Highway to Anchorage. A stop will be made in Girdwood, at the **Alyeska Aerial Tramway** where we'll ride to the 2,300 foot level of Mount Alyeska. Take in panoramic

views from the top of surrounding glaciers, Turnagain Arm and the Chugach Mountains. Once we reach the top you can explore the area and have lunch (on your own) at the deli. Afterwards, we'll continue to Anchorage, the largest city in Alaska. We'll show you around the downtown area before dropping you off and giving you time to explore and have dinner. (B)

Day 9 Denali National Park, AK

We head north on the Parks Highway. Our first stop will be in Wasilla, home to the **Iditarod Headquarters**, which features a small museum & gift shop. Next, we'll continue to the historic village of Talkeetna which is nestled at the base of North America's tallest peak, Denali. We will board the **Denali Star** and travel the **Alaska Railroad from Talkeetna to Denali National Park**. We'll follow the banks of the Susitna River, and maybe get a view of the Denali across the river (weather permitting). After the Indian River Canyon, the track climbs toward the tree line, crossing Hurricane Gulch, the longest bridge on the railroad at 914 feet long and hangs 296 feet above Hurricane Creek. The train will move into Broad Pass, at 2,363 feet, the highest point on the railroad. We'll be traveling in style with Glass-dome ceilings and Upper-level outdoor viewing platforms for panoramic views of Alaska's beautiful countryside. Enjoy an **boxed lunch** while onboard. Upon arrival to Denali National Park, our motorcoach will be waiting our arrival. Our entertainment this evening is at the **Alaska Cabin Nite Dinner Theater**. The show tells the story of Fanny Quigley, a real pioneer in Kantishna

Riverboat Discovery

Riverboat Discovery

back in the gold-rush days of the early 1900s—the same area that is now deep inside Denali National Park. The story is performed in an authentic, log-paneled roadhouse, and the actors and actresses do double-duty as your servers for the all-you-can-eat dinner. (B, L, D)

Day 10 Denali National Park, AK

Today's adventure is one you will never forget! "Mildwater" River Rafting down the Nenana River. You may see moose, sheep, caribou and bear, as you raft downstream 11 miles. Hold on and enjoy this mild water introduction to rafting in Alaska. The most scenic portion of the river gives you a thrilling yet pleasant rafting experience. Afterwards, the day is at your leisure to relax at the hotel, explore the town or do an excursion such as flight seeing, ATV tour, Dog Sledding, biking and more! (B)

Day 11 Fairbanks, AK

Today will be spent aboard a special bus for the Tundra Wilderness Tour of Denali

National Park. We will travel 63 miles into the park to Stony Hill Overlook and for a picture perfect view of the famous, Denali. We'll also see incredible scenery, learn history of the park road and have some of the best opportunities to view the park's wildlife on this 6-8 hour tour. Keep an eye out for Dall sheep, moose, caribou, wolves and grizzly bears. After our tour, we will continue our trek north to Fairbanks, where we will spend the next two nights. (B)

Day 12 Fairbanks, AK

Our Alaskan adventure continues this morning! After a short tour of Fairbanks, we'll stop at the Trans-Alaska oil pipeline. It was built as a means of transporting crude oil from the oil fields at Prudhoe Bay on Alaska's North Slope to Valdez. Then we will head out to **Gold Dredge 8** to strike it rich! Take a seat aboard a replica of the narrow-gauge Tanana Valley Railroad and hear the conductor tell tales of prospectors who arrived by the thousands during the gold rush. The train ride takes you to

Gold Dredge 8 where you will see first-hand how the dredge worked the gold fields, then receive a brief but informative course on gold panning. Once the train arrives at the camp, you will try panning for yourself! This afternoon we will have an **included lunch** before we board the **Riverboat Discovery** to cruise along the Chena and Tanana Rivers. We'll experience a **real Alaskan Bush Pilot in action** as he takes off from the river; see the **home and kennels of Iditarod Champion**, the late **Susan Butcher** and see her champion sled dogs in action; learn about the area's Native cultures, lifestyles and experience frontier living first hand with a **tour of an Athabaskan Indian Village**. Tonight, **dinner is included at the All-you-can-eat Alaska Salmon Bake**. Your salmon is fire cooked on an open wood grill while the Prime Rib is slow roasted. The Bering Sea Cod is directly from icy Alaskan waters and is beer battered to perfection. Included with our meal is a salad bar, soft drink and a yummy dessert! Afterwards, we'll walk over to **Pioneer Park** and see the "**Golden Heart Review**" a lighthearted, comic look at the colorful characters from early and present day Fairbanks. (B, L, D)
